invited additional demands upon the reserved rights of the States, and as the Administration evidently feels itself called upon to consult northern feelings whilst it inclines to do justice to the South, nothing is settled because there is no fixed policy underlying the series of events daily transpiring. The action of the Government is evidently spasmodic; each step is an experiment, and the succeeding one is determined by no legitimate result following the stern measures against them. We think he erres in supposing anything of the sort will he done. The is determined by no legitimate result following the preceding, but by the incidental effect it may have upon some collateral interest, not germain to the leading questions at issue. Under this state of the case, immediately ordered Hancoca's corps, or a portion thereof, to rendezvous in Maine. Such is the story; and this much is certainly, there is a fair opening for the display of the case, immediately ordered Hancoca's corps, or a portion thereof, to rendezvous in Maine. Such is the story; and this much is certain, that a body of troops left Hartford at midning, there is a fair opening for the display of things, there is a fair opening for the display of prophetic power, but none for the philosopher, or

inistration, as compared with its professions. It MINNESOTA and Wisconsin have followed the exhas done much for the South, and, we believe, ample of Connecticut, in voting down the negro would do more, but for reasons which we will not suffrage proposition. The South, only, is to be now look into-hoping that coming events may so honored as the home of universal human liberty. cused of preferring the charge of inconsistency without cause, let us look at facts—not in a spirit of captious discontent, but for the sole purpose of throwing a little light upon the chaotic confusion of a disorganized political system. The present condition of things is peculiar, and, in the absence of pre-adents to guide the process of reconstruction, it might be unreasonable to expect perfect consistency and impartiality in meting out justice to the weaker party, especially in view of the prone-nees of man to be inflavenced by considerations not chape themselves as to make such enquiry altoness of man to be influenced by considerations not

seed its first reading.

THE NESSOR TESTINONY SILE.

Mr. Gaut, from the Judiciary Committee, submitted a majority report recommending the rejection of the Republic of Mexico. It is a noteworthy coincidence that the announcement of Gen. Logan & Minister, and Wm. A. Browing, of Tenn. Seed the street of the Union, if this be true, they never were out of the reaching in the Constitution, but subject, continually, to its provisions. Where, then, does the Executive find autherity for forcing a State, in the Union, to meand its organic laws, and shape its domestic palicy so as to square with his wishes? The Constitution confers no such authority upon Congress, or the President, or both together; and if the States of the South were never out of the Union, either of the Opinion of the Constitution confers no such authority the document is received by the property of the South were never out of the Union, either of the Opinion and Connective thought of the Constitution confers no such authority to do altered the property of the South were never out of the Union, either of the Opinion and Connective thought of the Constitution confers no such authority to do altered the property of the Constitution confers no such authority in unconstitutional because no State, in the Union, can be deprived of the Constitution remains intact. This is the plain common remove view of the subject which the public will adopt when passion: and fannation and allowed and false, subtracted Gen. J. A. Jogan & Hondon, Sontaga and Nubias, Plannels and Linneys. In the President Johnson has repeated by the Union, can describe the the union, it is not existing in the State of the Constitution of the Emperory National Heaville to the Mexican Republic of the Connective policy to a subject which the subject which the public will be a first reading.

The President A Rabies, and the known of the Empositor. It is noteworthy coincidence that the announcement of Gen. Logan Republic of the Lincon. The Mexican Republic of the Connective State of the Connective S ident, like some of the radical leaders, claimed that ened spirit of the age, and the example of our from the British war vessel Barcouts, and that be the Southern States were out of the Union, then sister States. the Southern States were out of the Union, then these inconsistencies might have been obviated, because, in that case, those States would not have been under the protection of the Constitution the "war power" would have had some plausible significance, and the terms now proposed, as the conditions of restoration, might have been exacted as the price of admission, by foreign States into as the price of admission, by foreign States into gims. It is generally thought that the Union. But President Johnson discarded this feint to surprise and capture the city. with the seceded States as a component part of the Union, and therefore subject to the organic and statute laws of the United States, every step he has taken towards restoration is a departure from the view of the subject, and, in attempting to deal true interpretations of the provisions of the Constitution. As conquered provinces, and beyond it is reported that the French squadron arrived at the pale of the Union, the conqueror would have the mouth of the Rio Grande. the right to impose upon the Southern States, such Union, they can not, constitutionally, be thus shorn the bas turned over the duties of his office to the Lieutenant Governor, and will soon have for Europe.

was saved and the war at an end. If then, it had NEW YORK, Nov. 21-The Herald's Washington could have been found no authority for punishing sition to his policy, and asserts that the President is in favor of the admission of Southern representatives to Congress without the test cath. cause no department of the Government has the The daily receipts of internal revenue have fallen Constitution vested with any such power. The eff about half a million of dollars. radical party leaders saw the difficulty of dealing with the South, in the Union, and therefore asserted that it was dissolved, and the war waged against a foreign power. This position, if correct, South, Washington and Front streets, is would have given them full power to impose the overflowed. But few arrivals to-day, terms now demanded, and perhaps others; but the Nashville, Nov. 14.—The pardon of John Over-theory of the President brings himself and the ton, said to be the wealthiest man in Tennessee, before the war, is forbidden now. Therefore we contend that the President can not, consistently has gone in person to Washington to investigate, with his assumption, demand of the South the currender of its reserved rights, and the absence of pecture us to when, and what, will be the end.

Is is reported in Washington, that the Government will back its claims against Great Britain with its whole naval and military force, and that I can get any quantity of men at one hundred and fifty thousand men will be stationed on the Canada the end of the year. The laborers are of any na-
